

Dear Families

This term, slushies have been included on the canteen menu and have quickly become very popular. Unfortunately, this has resulted in significant congestion at the canteen, and some students have been disappointed as the product has 'run out'. This has subsequently created some other issues. To assist in managing this popular item, some modifications to the ordering and purchasing processes at the canteen will be trialed.

Commencing next Monday, all canteen sales are to be done online. This includes orders for: Crunch & Sip, Lunch and Afternoon Recess. If you are unable to access the online facility, over-the-counter orders will be available from 8.30-8.50am. This will allow our canteen staff time to prepare and distribute all orders more effectively, and greatly reduce the congestion that is occurring.

Orders for slushies (lunch eating break only) will be staggered across the week:

- Monday: Years 1 and 2
- Wednesday: Years 3 and 4
- Friday: Years 5 and 6

There will be no over-the-counter sales during the school day.

Class Monitors will collect Crunch & Sip, Lunch and Afternoon orders at the designated break times and these will be distributed by the teachers. Children who have ordered slushies will be reminded to collect them at lunch time.

The students have been advised of these arrangements and reminded that over-the-counter sales will not be available during the school day.

Thank you for your understanding. We will review these modifications over the next fortnight.

Canteen can be contacted direct on 9405 0623 or messenger as previously.
